Nineteenth Sunday In Ordinary Time
 Pope Benedict XVI made the point that the essence of faith is that something meets us that is greater than anything we can think of for ourselves. That is literally what happens to the disciples as they see Jesus walking on the water. Jesus summons them to faith—a way of approaching reality that entails leaving behind our old way of measuring things and seeing all according to this Something Greater that meets us. We should not be surprised that Christ often will come in ways that we least expect, as Elijah found out in that tiny whispering sound. And when such faith takes hold of us, we want everyone we know to share in it, as Saint Paul testifies today.

The Catholic Coffee House is an adult faith formation series held at Gianna Java and Gelato, 24th and O Sts. in Lincoln. This year, our presentations will be on the **Catholic Perspective on the Reformation**. The first presentation in this series will be Sunday, September 10, 2017, 7 – 8:30 p.m., with Msgr. Timothy Thorburn speaking on the **"Historical Perspective: Viewing the Reformation through the Lens of Medieval Culture, Religion, and Politics."** Each session includes a presentation, Q & A and opportunity to purchase some great refreshments! There is no fee and no registration is required. Questions? Call (402) 473-0615 or email ore@cdolinc.net.

Month 8
 "I'm eighteen inches"
"I like to listen to my Mommy's voice!"
 In the last two months the baby continues to gain weight. She is developing a layer of fat that will keep her warm after she is born. In the 9th month she will shift to a head-down position, preparing for birth. Her lungs are now fully developed and capable of making the transition to breathing air. After birth she will continue the human growth process for many years to come.
