**Adoration Chapel Opening:**  
**(Saturday 2pm, Sunday 11am and Monday 3am)**

Some would compare the love in the heart of Jesus in the blessed sacrament to that love found in the heart of a mother or father. Jesus longs for the love of each of us that He died for. Yes, love from each of his children. Please consider resting your head on the heart of Jesus, who is there, visibly present in the chapel, with an hour of adoration. Here we find Jesus in need of our love, thirsting for each of us. He wants to rest in our hearts. Please contact Bob Palik @ 367-4151.

*The field is the world and the seeds are the Word of God, given to us and scattered among us.*

**Sixteenth Sunday in Ordinary Time**  
*Christ's parables today make this conjoined point: God in his providence will use even the apparent evil that attends us in life to some perfecting purpose; out of our littleness, our emptiness, our nothingness God's greatness will flower in an astonishing way. The parables verify that our God is the God who has "the care of all"-of every situation, every circumstance, every moment. God shows his might precisely when "the perfection of his power is disbelieved." "The Spirit comes to the aid of our weakness." We can cave in to our weakness out of despair...or we can pray with faith, "Power, whenever you will, attends you."*

**Introduction to Deliverance**  
 Have you ever wondered what exactly deliverance is or how it fits into our Catholic Faith?  
 The Office of Evangelization will be hosting an evening consisting of four 20 minutes talks.  
**This is open to ALL:** laity, clergy, religious, protestants & anyone who would like a better understanding of the meaning of deliverance and the Unbound Ministry & how each person can benefit from it. Join us at St. Vincent de Paul's Parish (in the Church) on Thursday, Sept. 14th, 7-8:30pm., 152 Pinewood Ave. Seward, NE. **NO registration**

"I'm fifteen inches"  
 "I can look around!"  
 Beginning this month the baby uses four senses. His eyelids open and close, and the eyes look around. The baby can hear, taste, touch, cough, yawn, and hiccup. He now recognizes his own mother's voice. His grip is even stronger now than it will be after his birth. The hair on his head is growing longer and the downy covering on the rest of his body is disappearing. During this time the baby will receive antibodies from his mother providing him immunity to a wide variety of diseases.
