Commitment Weekend Results

Thank you to those parishioners who accepted the invitation to Christian stewardship and filled out a commitment card earlier this spring! Your financial commitment is a gift and a blessing to our faith community. Roughly 35% of parishioners filled out a commitment card. Based on those commitments, we project a 24% increase in giving. Unfortunately, even with this increase, we still face a projected shortfall of over \$200,000 for the upcoming fiscal year, which begins July 1. If you did not fill out a commitment card, please consider making a commitment to increase your weekly giving. It is only through the involvement of ALL our parishioners that we can take a significant step toward addressing our needs. Your regular financial support of St. Mary's parish is essential to our operating budget and to the viability of our parish and schools. Commitment forms can be picked up in the back of church or at the rectory. Thank you for your commitment to St. Mary's parish!

We must live out our faith and give back to God. Tithing is the practice of returning 10% of our blessings to God in recognition and gratitude for the blessings He has bestowed on us.
It is an act of worship and stewardship
Truly tithing takes great faith.
Just a reminder that you can set up through your own bank with BILL PAY or EFT - Simplify your sacrificial giving through Electronic Funds Transfer call the Parish Office @ 367-3579 to sign up.

Thirteenth Sunday in Ordinary Time

"Whoever receives a prophet because he is a prophet will receive a prophet's reward." This happens literally to the "woman of influence" who furnishes "a little room on the roof" for the Prophet Elisha to stay in. Elisha promises, "This time next year you will be fondling a baby son." We beg for the grace to be able to face the sacrifices and sufferings of daily existence fortified with the desire to endure all for Jesus' sake. Then, as Saint Paul promises, "We too might live in newness of life."
