**Seventeenth Sunday in Ordinary Time**  
*God says to Saloman, "Ask something of me and I will give it to you." "The Lord was pleased that Saloman" asked for an understanding heart instead of for long life or riches. For with such a request, God can work miracles. "All things work for good for those who love God." The desire of Saloman is what characterizes the heart of the man who sells all he has to buy the treasure-bearing field. The desire of Saloman is what sets apart the merchant who risks his whole livelihood to buy what he judges to be the "pearl of great price." They can make these sacrifices with certainty because that treasure, that pearl corresponds to the deepest longings of the "understanding heart"- it is Christ himself.*
